

# Roxanne Miller

## brings business into focus

Delight your audience with a presentation by Roxanne Miller. A self-proclaimed 'Requirements Super Freak,' Roxanne's information-packed, high-energy sessions are always a crowd pleaser. She delivers practical advice and real-world stories from her work with state universities, government agencies and Fortune 500 enterprises.

Roxanne shines as a keynote presenter, workshop leader and seminar speaker. She tailors the presentation to your specific audience needs and has ready-to-go material on the following topics:

- From Good to Great Requirements
- Getting the Right Stakeholders Involved
- How to Get Sign-Off on Just About Anything
- Facilitation Basics for Handling Problem People
- Understanding Nonfunctional Requirements

*"Roxanne is an outstanding instructor and presenter. Her evaluation scores are consistently the highest ... The incredible thing is that her extraordinary public speaking skills and audience engagement only run a close second to her knowledge of Business Analysis content. She is an absolute pleasure to work with and I highly recommend her for any speaking engagement."*  
– Adam R. Kahn, group event director,  
*Project Summit & BusinessAnalystWorld*

Roxanne has been consulting on business analysis practices for over 15 years. She is a Certified Business Analysis Professional and an active member of the IIBA®. Her book, *The Quest for Software Requirements*, is an in-depth reference guide with over 2,000 elicitation questions and a tested framework to help individuals make their project work more efficient and effective.
